

The Guild

Aren't those wonderful reminders that if we will just be obedient to the tasks to which He has called us, He can accomplish more than we ever dreamed? I want to encourage you to get involved and get your friends involved. HBU is a light in this community dedicated to academic excellence in a Christian environment.

2011 FALL NEWSLETTER

Lastly, I am blessed to have a board of special women who love the Lord. They have been hard at work this summer in planning our events and activities for this coming year. I thank God for each of them and ask that you pray for them as they give of their time.

And speaking of events ... I can't wait to see you there.

Greetings from the PRESIDENT

Last February I sat at a luncheon given by Sue Sloan for past presidents of The Guild. In my mind, even then, I was looking ahead to what 2011-12 would be like. Listening to the ladies relate highlights from each of their years,

THE GUILD SPECIAL EVENT HELD AT the Houston Museum of Natural Science

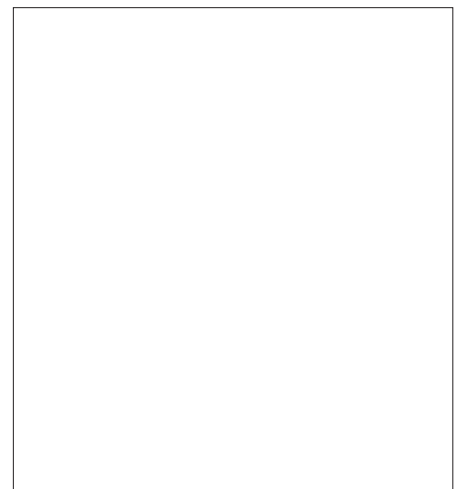

The Guild Spring Luncheon Event, "Texas! Making History Since 1519," was held on April 28 at the Houston Museum of Natural Science – Arnold Space Hall. Texas Historian Nina Hendee was the special guest speaker. The Texas theme was carried out with Texas bandanas on the entertaining and informative talk on our great state of Texas. The speaker was followed by a delicious lunch buffet by Melange. After the meal, ladies were dismissed at their leisure to go through the Museum's special exhibit, "Texas! Making History Since 1519." Then, for the cost of the event, they had passes to go through all the permanent exhibits. Co-chairs for the event were Judy Childress and Jane Caldwell.
